PRIVATE DINING & EVENTS

BELLANGER

Bellanger is a short walk from Angel station, just one stop from thriving King's Cross. With an Art Deco feel, complete with dark wood floors and wainscot panelling, the room emanates a warm and inviting atmosphere.

Bellanger's spacious Private Dining Room is adorned with antique mirrors and sage green accents, offering Southern-French cuisine in the heart of Islington. Situated within walking distance of the Business Design Centre, the Almeida and Sadler's Well's theatres.

Nestled discreetly within the restaurant and bathed in natural light, the room is perfect for a daytime gathering, from working breakfasts to family lunches. And, as the sun sets, the room transforms into an intimate candlelit space, ideal for a celebratory dinner or wedding reception.
