GET MARRIED IN THE BUSTLING HEART OF ISLINGTON.

An idyllic spot for an intimate wedding reception, Bellanger is licensed for ceremonies. Our brasserie has an elegant yet local feel and can comfortably accommodate a wedding of up to 60 guests.

Sculpted by natural lighting, our private room is perfect for day-time celebrations. Once the sun sets, the room transforms into an intimate space, being the canvas for a perfect evening. We also have a small terrace available to hire, and we welcome guests to use our bar area as part of their wedding day.

Choose between an array of menu options which all reflect and embrace seasonality and the fresh flavours that pay homage to French cuisine.
